Pretty Wedding at Toano.

There was a pretty wedding in Mt. Vernon Methodist Church, Toano, Wednesday evening where Miss Hannah Martin Wilkinson was married to Mr. Littleberry James Haley, of Clifton Forge. The church was prettily decorated with autumn leaves and golden rods.

The bride and party and visiting guests were entertained at the home of Mr. Enoch Martin, uncle of the bride, in a reception given them the day preceding the day of marriage.

The groom, Mr. Littleberry James Haley, is the son of Mr. W. A. Haley, of Clifton Forge, Va., and is a rising man in railroad construction work. The bride is the niece and adopted daughter of Mr. Enoch Martin, a prosperous farmer and business man of Toano. The bride and groom left Toano on the evening train for a trip South.

The only true constipation cure must begin its soothing, healing action when it enters the mouth. Hollister's Rocky Mountain Tea restores the whole system to a healthy, normal condition. 37 cents, Tea or Tablets, J. H. Stone's Drug Store.

Oaktree Topics.

Oaktree, Va. Oct 23—Mrs. Chas. Walton was the charming hostess on last Friday evening, when she entertained the young people of the neighborhood in honor of Miss Ida Browning, who is at present the popular teacher of the school near Lightfoot. The evening was delightfully spent with games and music. Delicious refreshments were served at the midnight hour. The guests left at a late hour declaring that they had spent one of the most pleasant evenings of their lives. Miss Mary E. Clifton left Monday to take charge of a school at Ewell.

The pain in Ma's head has gone. She's as happy as can be. Her health is right, her temper bright. Since taking Hollister's Rocky Mountain Tea at night.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

The Paper Trust.

A prominent paper manufacturer stated that the International Paper Co. is behind the print paper merger which has been brought to a successful close. The manufacturer says that every print paper, manilla fiber, sulphite and ground plant in Wisconsin, Minnesota and Michigan has been taken into the new company.

He says that within one year the International Paper Company, which was incorporated under the laws of New York in 1898, with an authorized capital stock of \$118,000,000, controls the print paper market of the United States.

The manufacturer puts himself on record as stating that the price of print paper will advance to 4 cents to the jobber and 6 cents to the small buyer within two years.—Louisville Times.

J. R. Bellomy who has been confined in his home several days by sickness, is able to be out again.

'A Mineral Water' that Defies Drugs

NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery**, and above all, that dreadful disease **Scrofula**, which has almost baffled human skill, or **Diseases peculiar to Females**?

Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick**, and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics**, could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar. The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases enumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC**.

We have many valuable certificates, which we will be glad to mail, if you are interested.
